### **Curious eyes explore the world**

#### **09 June 2024 - 29 June 2024**

For the month of June, as part of the "Curious eyes explore the world" program, linked to the exhibition "I preferiti di Marino. Capitolo I", Fondazione Golinelli proposes a calendar of **scientific events** dedicated to the exploration of art and science.

The activities will allow participants to delve deeper into the role of art and creativity within the scientific process.

The program is aimed at **children, boys, girls and their families**

**The events:** "From macro to micro" (Sunday 9 June, 4.30pm-6pm, for kids from 7 to 10), "Space mission" (Saturday 15 June, 4.45 pm - 6pm, for kids from 4 to 6), "Makers in Space" (Sunday 23 June, 4.30pm-6pm, for kids from 7 to 10), "Play with emotions" (Saturday 29 June, 4.45 pm - 6pm, for kids from 4 to 6).

Further details and registration are available on the [website of Fondazione Golinelli](#)
